SIGNUP PROTOCOL

To request a space on a ski trip you must:

1. be a CSC Member (or Blue Ridge Ski Council Member for sanctioned trips)
2. submit a signed Ski Trip Reservation Form
3. pay the designated deposit amount as listed on the trip flyer

- Sign up in-person or by mail. CSC is not responsible for mail delays.
- Electronic signups/payments also available in lieu of Steps 2 & 3 on select trips.
- Preliminary signups open through the end of the Trip Signups Social (6/12 at 3 p.m.)
- If there are enough spaces to accommodate signups, participants are then confirmed.
- If there aren't enough spaces, a lottery will be held to fill the trip and set wait list order.

Lottery Procedures:

If necessary, the random lottery will be held the next day, under the direction of the Ski Trips Coordinator. Everyone who complies with the CSC signup procedures (as listed above) will have one entry in the lottery. Potential trip participants can mutually designate one roommate on the Ski Trip Reservation Form to be paired with in this lottery. If one of the two names is selected, the other will also be offered a spot on the trip as long as the request is listed on both forms and there's an additional space available. If there's only one space available, the requested roommate will be offered the first spot on the wait list. If the mutual roommate request is not listed on both forms, only the person whose name is drawn will be added.

The Trip Leader, Assistant Leader, and up to one roommate for each are guaranteed spaces on the trip even if there is a lottery. Requests to hold additional spaces for immediate family members of leaders can be made to the Ski Trips Coordinator for consideration. These requests must be received 24 hours prior to the Trip Signup Social, and the decision will be made before the event begins.

Any participants who were still signed up for a trip that CSC canceled the prior season will have first priority for one space on that trip in this year's lottery.

Once this preliminary signup process is complete,
remaining trip spaces will be available on a first-come, first served basis.
