

*Planning the 2011—2012 Ski Season*

The Ski Trip committee has been working hard at putting together plans for the 2011-2012 ski season. Here is a list of trips we are **considering** (see page 3 – ed.), not all will make the final trip schedule and dates may move as we remove locations and create our final schedule.

One major factor everyone should prepare for is the high cost of air travel. Most flights are going to be in the \$600 to \$700 range, which will raise overall prices. We may be able to offset this with some price advantage in lodging or by selecting slightly lesser properties.

One option to consider is taking one of the two sets of back-to-back trips. We are trying to offer the Breckenridge/Snowmass and Trois Vallees/Andorra trips on back-to-back weeks. You can get two weeks of skiing in with one air fare with each of these options, at significant savings.

I just got back from skiing Beaver Creek, CO last week and if you are willing to hold on for the final week of skiing out west you can really get a great value in skiing this time of year. You don't have to hang up your skis just because the grass is green at home. My trip last week was at the Mountain Travel Symposium, which is an opportunity for ski clubs, vendors, ski resorts, and others in the ski industry to meet and market to one and other. On Friday, the "group exchanged" had us meet with 40 representatives in 8-minute, pre-set appointments. We got to see properties in Beaver Creek, and to ski for a few days. In the past, other ski trip coordinators or ski trip committee members have attended this event. It's a very good opportunity to meet other clubs to compare how they offer ski trips to their members.

One exciting new option this year is the epic MIX (<http://www.snow.com/epicmix/home.aspx>) if you have the epic ski pass you can track your ski season with this option. and see how your friends are doing. One person has recorded 3 million vertical feet of skiing this year.

I hope everyone has a great summer and we look forward to kicking off ski trip sales at the June meeting.

Finally, If you haven't put in a Trip Leader Application and were interested in doing so please consider sending one to me at [bill@schrodel.com](mailto:bill@schrodel.com).

## President's Corner

Did you know May is National Vinegar Month? Now that I have your attention, Happy Spring Everyone! Although spring marks an end to our ski season, do not fear, our Ski Trip Committee is busy planning the next season. Keep watch as Wild Bill teases us with new and exciting trips. There's still a little time left to apply to be a trip leader, see the application in this newsletter.

Now that the warm weather has finally arrived, time to go out and play. We've added lots of bike rides and hikes to the Activity list recently. Check the list often, you never know when a new activity will be added. Of course, we are always looking for more activities. Please consider leading an activity, it's a great way to make new friends. Need more info? Contact Bob at [ACTIVITIES09@COLUMBIASKICLUB.ORG](mailto:ACTIVITIES09@COLUMBIASKICLUB.ORG). He can walk you through the simple process of leading an activity.

Congratulations to our new Board members, Jean McArdle, John Hubbs, John Wetterau, director & President - Elect and returning to serve a full term, Eliezer Richmond. Also congrats to our new Vice-President, Pat D'Adamo. And, a special thank you to the outgoing Board members, Tina Dorn and Gary Prestianni for their hard work over the past two years.

You don't want to miss the May meeting. The annual awards will be announced, and it's your first chance to buy tickets to our BIG THIRTIETH ANNIVERSARY dance. Like to save money? Pay your membership dues at the meeting and take the early payment discount of \$5.00. Discount period runs through the June meeting.

May is an Adopt-a-Road month. Join fellow club members on May 14, clean up the roadside for a couple of hours, then enjoy lunch on the club and talk trash. I encourage you to become more active in the club. You'll get back much more than you give, and have fun doing it. See the Help Wanted Ad elsewhere in this newsletter for more opportunities.

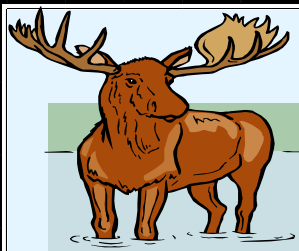

Lastly, everyone knows May includes the Memorial Day holiday, but did you know there is another memorial day, May 9, Lost Sock Memorial Day? Really, it's on the Web.

**Deb McCune**

*BOD Business Meetings are held on the first Monday of each month at 7:00 pm, in the Owen Brown Community Center. Business meetings are open to all members. Please contact the President in advance to have an item included on the agenda.*

The **Black Diamond Xpress** is published bimonthly by the Columbia Ski Club, Inc., a not-for-profit organization dedicated to the promotion and enjoyment of the sport of skiing. ... and many other activities

## MOOSE TRACKS

It is 85 degrees in Pasadena and Breckenridge has a 108" base! Did you know they already passed the 500" mark for total season snowfall and

more is on the way? Vail hit 500" today and sadly the last day of the season is April 24<sup>th</sup>. This is actually later than most years because they close on Easter Sunday. I bet lots of locals will be hiking to enjoy the nine feet of snow still on the ground.

The abundant snow did make for an epic season of skiing, and plans are already in the works that have the potential to top this one. Say prayers and light candles for another La Nina. We may be doing two back-to-back trips; two resorts in Colorado, and two resorts

in Europe. Like I always say, it's more than a ski trip, it's a vacation. Can you imagine a week in Breckenridge and then busing to Snowmass for another week? Now that is what I call a dream vacation. For those that want to combine skiing with sightseeing, the committee is getting bids for a back-to-back trip in Europe; two countries for the price of one flight schedule. Sound extravagant? Not for CSC!

Did you know we welcomed over 30 new skiers from other clubs because they would rather ski with us? Can't blame them can we? You do know what this means though, competition for signups and even more reason to come to the June meeting with checkbook in hand. Because you know what you have to do—sign up early ... and often.

*The Moose.*

### 30<sup>th</sup> Anniversary Celebration

The CSC 30<sup>th</sup> Anniversary dance will be held on July 23, 2011 at the Savage Ballroom at Savage Mill.

Music by CPR. Tickets will be approximately \$45 per person, and will go on sale at the May general meeting.
